### **From the Director's Desk...**

With the recent snow fall, I am sure we are all thinking about Spring-time, but before we move onto the next season, I would be remiss if I did not thank the Palmyra Borough, Palmyra Area School District, North & South Londonderry Townships for their outstanding efforts with snow removal and clearance activities. They performed an outstanding job and deserve our praise! Traveling from Harrisburg daily, until we find a new home in the area, I have had the opportunity to travel many of the roads leading to and from Palmyra. I was pleasantly surprised at how well the public works and township crews were able to keep the roads clean. Their efforts made my daily commute a pleasant and safe one. Having supervised crews such as this in the past, I am quite familiar with the obstacles and problems they encounter in order to keep the roads clear, traffic flowing and parking lots open. It was quite apparent that these individuals are highly skilled and truly committed to the communities they serve. To all of these individuals I say, THANK YOU!

Since Spring is around the corner, it is time to think about registering for the many programs we are offering this year. Please feel free to stop by and pick up a brochure or view our web-site, palmyrarec.org for the latest activities and trips. Registration for Summer Super Camp is going quite well and we are limited as to the number of children and youth that we can serve. So, if you have not registered your children, please do so while there are still openings available. In the meantime, think Spring!

Yours in Recreation,

Tina Manoogian-King  
Recreation Director
