

FEBRUARY 2012 NEWSLETTER

From the Director's Desk...

For the second year, The Hershey Company has generously agreed to fund our scholarship programs to reach an even larger number of economically disadvantaged PASD youth for participation in PARPC's recreational programs and sports camps. Children receiving either Free or Subsidized lunches will be able to register for one of the many recreational programs or sports camps offered by PARPC.

Requirements:

For children receiving FREE lunches - \$10 Fee for registration.

For children receiving REDUCED lunches - \$15 Fee for registration.

One time copy of PASD Lunch Letter required.

A Pre-Scholarship questionnaire filled out at time of registration.

A Post-Scholarship questionnaire to be filled out after the program & mailed back to PARPC.

Limit of 2 PARPC scholarships per child OR 1 scholarship for Berman's Bball Camp

In addition to the scholarship program offered by The Hershey Company, we want to remind parents that all proceeds from the Annual "Run for the Children 5K Run/Walk & the 1 mile Fun Run" benefit the "Maggie Leach Scholarship Fund" with PARPC by providing economically disadvantaged youth the opportunity to participate in our Summer Day Camp. As a result of last year's 5 K race, 6 full-time and 6 part-time scholarships for Summer Camp were made available to families residing within and attending PASD.

For more info on these two scholarship programs, please contact me at (717) 838-9244 or by e-mail at tking@palmyrarec.org

Please join PARPC in extending our sincere appreciation to The Hershey Company for their thoughtful and generous donation.
